

“Abwaab” User-Guide  
via “Arabi Mobile”  
App

## Introduction

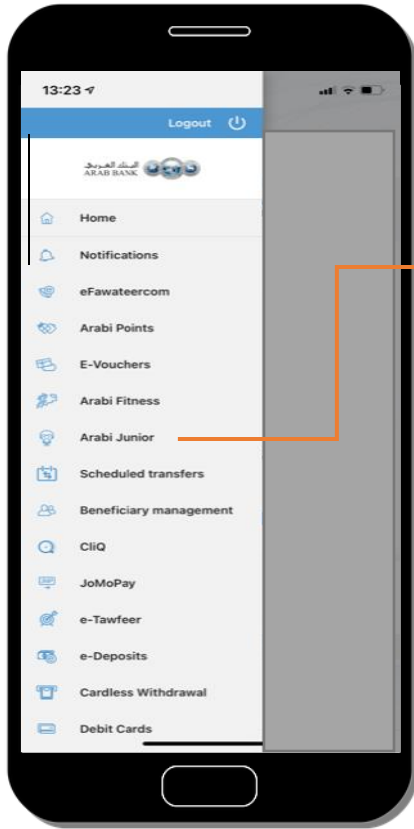

Abwaab is an online learning platform that allows students to learn online according to their preferred schedule, in addition to available on-going evaluation tests with expert teachers at any time and place.

This service aims to change the way of learning outside of classrooms through short-filmed lessons of high caliber content taught by Abwaab Academic teachers, In addition to filmed Educational journeys and examination courses that enables the student to evaluate themselves continuously, and displaying the results on their very own personal dashboard to allow them to keep track of their progress.

Abwaab currently offers the Jordanian National Curriculum to grade levels starting from Grade 7 – Grade 12 (Tawjihi) for Mathematics, Physics, Chemistry, Biology and Sciences in addition to Arabic and English Language.

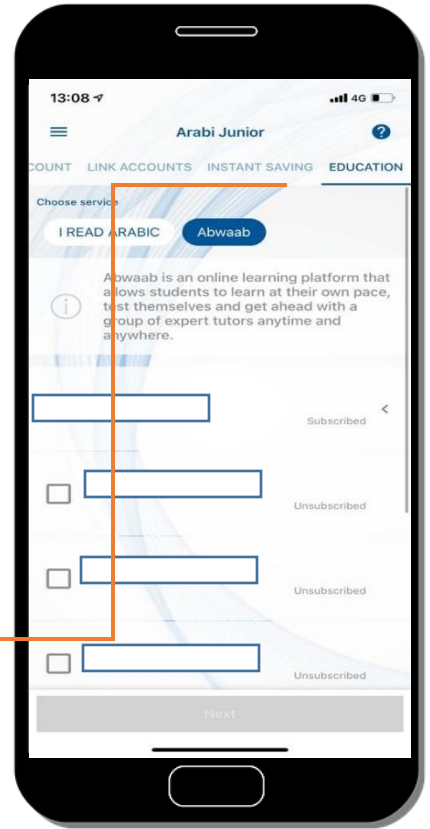

Upon completing the subscription process, Arabi mobile app will issue “Abwaab” key for FREE which acts as a membership that opens up all the Jordanian National Curriculum subjects based on their grade level for the entire school year. Whereby it is required to sign up an account on Abwaab’s website and copying the issued access key on their account to fully activate the subjects for the school year as chosen by the student
